Saturday, the 19th day of June, 1915.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS, in view of the increased number of motor vehicles now in general use, it is considered to be in the public interest to extend the limits within which motor vehicles may be permitted to run in the Rocky Mountains Park:

And whereas, providing the privileges are extended, it is further considered that the present regulations governing the use of motor vehicles are not sufficient:

Therefore His Royal Highness the Governor-General in Council, under the authority of the "Dominion Forest Reserves and Parks Act," is pleased to order that the regulations for the use of motor vehicles within the Rocky Mountains Park, established by Order in Council of 8th April, 1911, and as amended by Orders in Council of 21st June, 1912, and 19th July, 1913, shall be and the same are hereby rescinded, and that the regulations herewith attached shall be and the same are hereby established in lieu thereof.

19. Every owner of a motor vehicle shall be liable in damages for any injury or damage caused through horses becoming frightened at such motor vehicle unless all the provisions of these regulations are complied with (the proof of which shall be on such owner), and the person in charge of such motor vehicle shall be likewise liable, and any person suffering injury or damage as aforesaid may bring an action against such owner, or the person so in charge as aforesaid, or against all or any one or more of them, at the election of the person suffering injury or damage, provided however, that if the defendant or defendants in any such action shall prove that every reasonable precaution was taken by the person in charge of such motor vehicle at the time of the happening of the accident complained of, he or they shall not be held liable.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS by Order in Council dated 17th October, 1914, provision was made with respect to Dominion Lands within the Railway Belt of British Columbia for the reckoning as residence spent on a homestead the time of an entrant on active military service when enrolled in a military force under the authority of the Minister of Militia of Canada:

And whereas it is desired to extend this provision to include homesteaders enrolled as members of any military force of Great Britain or of the Allies of Great Britain in the present war; also, to make provision for the issue of patent to such homesteaders if disabled or to their legal representatives in the event of death:

Therefore, His Royal Highness the Governor-General in Council is pleased to order that the following sections be added to and form part of the regulations for the disposal of Dominion lands within the Railway Belt of the Province of British Columbia:—

Notwithstanding anything in these regulations the time during which an entrant is absent from his homestead, whether he is an alien or a British

subject by birth or naturalization, who has been serving or is now serving, or who may hereafter serve as a member of any military force, regiment, company, or corps of Great Britain or in any military force, regiment, company, or corps of the Allies of Great Britain in Europe, Africa, or elsewhere in defence of the British Empire and Allies, and also a period not exceeding three months after his discharge as a member of such force, regiment, company, or corps to permit him to resume his residence on his homestead, may be counted as residence spent on his homestead within the meaning of these regulations.

If it is established to the satisfaction of the Minister of the Interior that an entrant while on active service as a member of any such force of Great Britain or its Allies or enrolled under authority of the Minister of Militia of Canada, is so disabled by wounds received in battle or because of illness resulting therefrom or from any other cause after his enrollment as a member of such force and up to the date of his discharge therefrom, that it is not possible for him because of such wounds or illness or other cause to resume occupation of his homestead and complete the conditions of entry therefor, the Minister may forthwith issue letters patent for the homestead in his favour. The relief in such cases may be either from further cultivation of the homestead or from further residence thereon, or from both, as to the Minister of the Interior or to any Acting Minister of the Interior may appear fair and reasonable.

In the event of the death of such entrant in action, or from wounds and illness or other cause as above stated, similar relief may be granted to his legal representatives.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 19th day of June, 1915.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS the regulations for the leasing and administration of lands containing limestone, granite, marble, gypsum, marl, gravel, sand, or any building-stone, approved by Order in Council dated the 13th of May, 1910, as amended by subsequent Orders in Council, provide that application for a lease shall be filed by the locator in person with the Agent of Dominion Lands for the district, and that no person shall be allowed to locate more than one location of 40 acres;

And whereas, as it appeared to be in the public interest that railway companies should be permitted to acquire whatever quantity of material might be necessary for the construction and maintenance of their railways, provision was made by Order in Council, dated 19th March, 1913, that more than one location might be acquired under the provisions of the regulations by a railway company requiring the material described in the application for the construction or maintenance of the road-bed of its railway, and that personal application for such locations might be made on behalf of the railway company by any of its responsible officers;

And whereas it would appear from representations made to the Department of the Interior that municipal public works are being carried on by certain municipalities, and the request has been made that the same privilege be extended to cities, towns, municipalities, and municipal districts for the acquiring of material under the above regulations with which to carry on municipal works and improvements as that enjoyed by railway companies:

And whereas it would appear to be in the public interest that this privilege should be so extended,—

Therefore His Royal Highness the Governor-General in Council is pleased to order and it is hereby ordered as follows:—

The regulations for the leasing and administration of lands containing limestone, granite, marble, gypsum, marl, gravel, clay, sand, or any building-stone, established by Order in Council, dated 13th

May, 1910, and subsequent Orders in Council, are amended by adding the following provision, viz.:—

“More than one location may also be acquired under the provisions of these regulations by any city, town, municipality, or municipal district requiring the material described in the application for the construction or maintenance of municipal works or improvements, and personal application for such locations may be made on behalf of the city, town, municipality, or district by any of its responsible officers; provided that a city, town, municipality, or district acquiring by application under these regulations more than one lease, shall not be at liberty to sell or otherwise dispose of any of the material taken out under the authority of such leases, and it will be necessary to furnish the Department with a statement, made under affidavit, on the 1st of November in each year, showing the quantities of material taken out during the year, the lands from which such material has been taken, and a declaration to the effect that no portion of the material so taken out was sold or otherwise disposed of. Failure to comply with this provision of the regulations will render the leases subject to cancellation in the discretion of the Minister.”
